Hi Jhon, Kady, and Julie,

Can you guys get together and talk about possible implications for a Pueblo strike? We think it will happen on May 7th. I have never been involved in a strike and Pueblos is calling me about it and what role we have in it. On:

- 1 Instructional time (do we enforce this?)
- 2 Impact of funding?
- 3 graduating seniors

The labor department is not going to intervene—so now Pueblo will need to figure out how to deal with it and they are looking for some guidance.

What are our obligations here? And/or what advice can we give the Supt?

Thanks!
